NEWSLETTER

April 15, 1943

The library Newsletter lists only a few of the publications which are available for borrowing. We try to keep the Newsletter to one page, and must omit many new accessions, especially many State experiment and extension bulletins, and articles in current magazines. If you need material on a subject not listed in the Newsletter, let us know, and we will try to get it to you. If you would like a list of publications on a particular topic, we will compile it for you. To borrow items listed in the Newsletter, simply check the items needed, fill in the form at the end of the Newsletter, and send the checked Newsletter to the Branch Library. Postage is not needed on library mail, except on book packages weighing more than the four-pound limit.
